I believe there is nothing more important in life than what we leave behind in terms of how we have helped others. It is our Enduring Legacy. Years from now no one will remember who had a great season or who won the Super Bowl. That’s why Youth For Tomorrow is so important to me. For each young man and woman that we are able to help, we start a chain of good results because he or she will influence his or her own spouse and children and others around them. And they will pass along what they have learned to others. What will last in this world is what kind of influence we have had on others.

Coach Joe Gibbs
