GALA

February 8, 2025

Dear Friends,

I appreciate everyone being here tonight to attend this significant fundraising event for the youth home.

First, I would like to express my sincerest gratitude to Cynthia Atwater and Patsy Norton for their leadership in serving as the Chairs for this event! Also, thank you to the generous heart of our Presenting Sponsor, Trustee Cyndi Butler, and the Lambert Foundation for their significant contribution to supporting YFT and the Gala!

I am also thankful for the contributions from the Norton Family Foundation, the Wisser Family, Russell and Tammy, Trustee, Ken Ryder and his wife, Sheree, as well as our friends at Stack Infrastructure who each supported tonight's gala as (\$50,000) Diamond Sponsors.

Also, to Trustee Ken Shepherd, our "Toyota guy," who has done an outstanding job serving as the Chairman of the Sweetheart Raffle and enthusiastically stimulated raffle ticket sales for a chance to win that sporty red Toyota Supra!!

A special thank you to my trusted friend, Gary Jones, whose dedicated leadership is beyond measure.

I often find myself focused on the question, "What's the most important thing we are going to leave on this earth"? We work hard and want to be successful in life. But, when you think of it, the most important thing we are going to leave on this earth is the influence we have had on others-- our families, our friends, our business associates, and anyone we have had a positive impact during our lifetime.

This is why YFT is so important to me. Gary and the staff at YFT have been life-changing for so many young lives for almost 40 years. I can't wait to see what the next 40 years hold.

Finally, a big THANKS to all of you here tonight to support this important fundraising event for the youth home. Thank you for your prayers and support - you are such a vital part of our team!

With grateful appreciation,

Joe Gibbs

CO-CHAIR

HEART 2 HEART GALA

Patsy and Randy were in the early years of building their business, Great American Restaurants, when they first stepped foot on the Youth For Tomorrow campus more than 29 years ago.

Their children were young, and the family enjoyed attending YFT's annual Country Fair, an all-day family event for the community that serves as a vital fundraiser.

"At the time, there was only one house on campus," Patsy recalls. "I thought the mission of YFT was so wonderful and so important."

Today Patsy proudly serves on YFT's Board of Trustees, where she joins a distinguished group of business and community leaders who help create and implement the business strategies that fuel YFT's mission. She also serves on the Board's Policy Committee. Patsy has graciously stepped forward to join Cynthia Atwater to Co-Chair the Gala. She had served as Co-Chair of the Sweetheart Benefit Raffle for the past four years and helped to raise over \$1M to benefit YFT and its residential and behavioral health programs.

"I want people to know that every child who comes through the door is loved unconditionally," she says. "Everyone there wants them to succeed and will do everything they possibly can to make that happen."

For the Nortons, who built a career in the hospitality industry, their passion truly is in serving others—in their family's restaurants, certainly, but also in the lives of children and families in crisis or experiencing hardships that they "lend a helping hand."

"After more than 50 years of serving the region through our family of restaurants, what continues to make us love what we do are the special people we've met along the way. We're committed to being here for our community when they need it most."

- Great American Restaurants

PUTTING A CHERRY ON TOP FOR LOCAL CHARITIES, WITH OVER \$3 MILLION DONATED

In 2002, Great American Restaurants launched a program donating 25 cents from the sale of desserts at each of their restaurants to local charities. Over the 23 years, they've donated more than \$3,000,000 to area nonprofits, including \$421,879 given to Youth For Tomorrow. Wow! That's a lot of desserts!

GREAT AMERICAN COMMUNITY KITCHEN

Great American Restaurants "Community Kitchen" prepares and distributes hot, fresh & hearty meals for those who are food insecure throughout our community.

Their Coastal Beach Food Truck drives to different communities 6 days a week -- serving 2,500 FREE meals a day -- over 2,438,562 FREE meals have been served since 2020.

"We aim to help. Together, we can make a difference—one delicious meal, one smile, one act of kindness at a time."

HEART 2 HEART GALA

It has been my great pleasure to serve on the Board of Trustees for many years and observe all the young 'lives' that have been enriched through the love and dedication at Youth for Tomorrow. These same 'lives' in many instances come back to give back; they are shining examples of the continued success of our YFT program. It's only through the generosity of our many faithful followers that this is possible. For that, I graciously thank you for your support and passion in joining us tonight to make a difference in so many 'lives'.

My incredibly fantastic and wonderful sons are my pride and joy; Darrick, Brandon, and Justin. I would have had 100 children to love and support; but since that is not possible, I share my love for children with the boys and girls at YFT.

My involvement with Youth For Tomorrow began in the early years when my Papa, Ernest Carter, a prominent local banker, joined Coach Gibbs as an early "investor" in YFT and participated in the groundbreaking ceremony. My father served on the original Advisory Board for Youth For Tomorrow which was the governing Board before the Board of Trustees was formed.

We ask ourselves how one person could make a difference; you will observe this evening how that is possible – in small ways & in big ways you provide the tomorrows at Youth for Tomorrow. We endlessly thank you!

PRESIDENT, YFT BOARD OF TRUSTEES HEART 2 HEART GALA

Welcome to tonight's celebration of hard work and love on behalf of the youth we serve. And thank you for joining us and actively participating in the fund-raising components of tonight's event. You might be thanked several times this evening, but we cannot thank you enough.

The title of this event, Heart 2 Heart pre-dates me, but it is very clever. Of course, Heart 2 Heart resonates as it is held the weekend before Valentine's Day, a celebration of love.

From my work with Youth for Tomorrow, beginning as a volunteer and manager and director overseeing Dominion Energy's philanthropy in the Northern Virginia region, I have seen the heart of this organization.

Speaking for our Board of Trustees, I can tell you they pour their hearts into their support of Youth for Tomorrow. They possess diverse professional backgrounds and a shared commitment to improving the lives of at-risk youth. From their hearts they utilize their diverse experiences in various fields to bring insight and supportive leadership to Youth for Tomorrow. Not only do they deliberate and collaborate internally with the CEO and the executive team and externally as needed, but they are icons of philanthropy for Youth for Tomorrow. They sponsor and provide creativity and leadership for events like this one. They are assertive and tenacious in seeking funding for Youth for Tomorrow. We have board members who additionally volunteer to financially sponsor special events specifically for our young men and women to include an annual Christmas dinner which serves xxx youth. And others have brought coworkers and family members to come on campus to wrap gifts at Christmas. These are just a couple of recent efforts. Heart 2 Heart.

Youth For Tomorrow began with our Founder and Chairman Joe Gibbs extending his heart and love of Christ to youth in need of support and in many cases in need of rescue. Heart 2 Heart.

Our CEO, Dr. Gary Jones, extends his heart not only in the daily decision-making you would expect of a CEO, but he knows and works directly with the young men and women who come to our campus whether for short-term or long-term stays. We have heard our youth in conversation and in testimonies they give in events like this one, that they see our CEO as a father-figure. Heart-2-Heart.

Your board members' hearts are fully committed to the YFT mission to provide a nurturing home and quality education for the children who live and attend school on the YFT campus as well as for all the campus-based services and programs.

Support extends from our hearts to the Outpatient Behavioral Health Services (BHS) program, including the existing seven regional offices and to the eighth office to open in Richmond by this summer; to the daily rigors of our on-site secondary school, including campus security, and for the Christian-based teaching for our youth and worship services at the Peterson Family Chapel on our campus.

Again, from our hearts to yours, thank you for being here and for your support in talent, time and treasure which we dearly need.

With sincere gratitude,

Deborah Tompkins Johnson

WHAT THEY SAID ABOUT JOE GIBBS AND YOUTH FOR TOMORROW

“Coach Gibbs invested in us, the least likely to succeed, in the hopes that we would realize the potential he saw for us. Coach and Mrs. Pat Gibbs’ legacy will always be the contribution they made to my world—not just the world of sports.”

–Andrew, YFT Graduate and Co-Founder of a technology consulting business

“YFT is an oasis in the midst of a world gone crazy. A place for children when parents can’t do anything more at home. It gives them a chance to change their lives and to be in a safe, loving, wonderful, spiritual place. Thank you, Joe Gibbs.”

–Parents of a YFT Graduate.

“A very special thank you to Coach Gibbs -- for envisioning a place called Youth for Tomorrow, where abused and abandoned kids – like me -- can come to live, be cared for, continue their education and receive counseling for their issues and hopefully discover God’s grace.”

–Liesha, YFT Graduate and a college graduate with a criminal justice major

“When I came to YFT I had been through 6 placements and had run away from all of them. I had issues with substance abuse and authority. After a run in with the police I ended up at YFT. I was given a fresh start with the caring staff and was glad to learn the skills that I would need to be successful in life.”

CIVIL WAR BRASS MOUNTED PERCUSSION RIFLED MUSKET

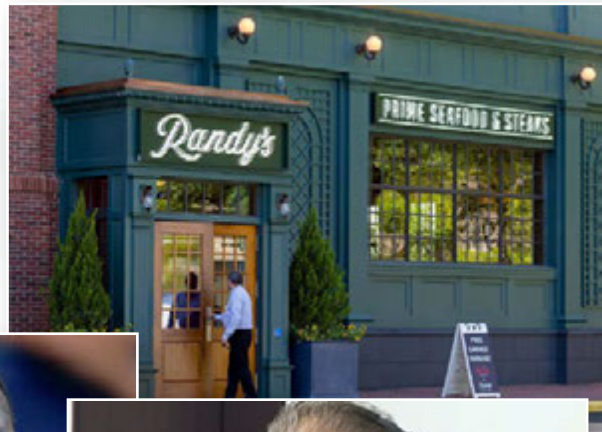

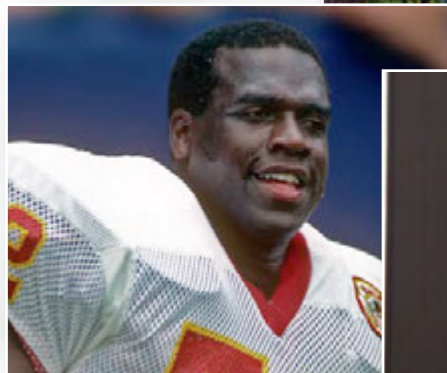

This original .58 caliber, percussion rifle musket is a fine Model 1861 contract percussion musket produced by the Parker, Snow Company of Meriden, Connecticut. The same Parker Snow company that then went on to become the infamous Parker Bros. Shotgun Company. This musket is rare in that it is all original, never replaced or refurbished, a true anomaly for a musket of its service magnitude. This musket has a 40" barrel mated to a black walnut stock. The lock plate is stamped with a large spread winged eagle over "U.S." and marked "PARKERS' SNOW & CO. / MERIDEN, CONN" in front of the hammer. This marking is believed to be the product of the James Mulholland contract of 1861 of which only 5,500 such muskets were delivered to the government and would represent the first venture in firearms manufacturing by Charles Parker of Meriden. The date of "1863" is stamped back of this particular musket making it one of only 500 produced in the year 1863. Musket comes complete with its three original barrel bands, hammer, bolster, lock plate and screws, rear / front sight, both swivels and its swelled shank ramrod. The stock retains its original finish and deep, rich patina. There are the usual dings and scrapes from age and normal use. Visible on the flat opposite the hammer are two government inspector's cartouches. Bore is clean and bright. An exceptional piece of United States Military history!

Happy Valentine's Day!

Jeff Bevans

By his own admission, Jeff Bevans was a “troubled young man” when he arrived at YFT in 1996. Lack of strong family support sent him on the path of despair. Facing what seemed like endless years in the juvenile legal system, he was offered a final chance to get his life back on track and to enter YFT.

He credits Dr. Terry Tinsley for “taking him under his wing”. Jeff also recalls focusing on a sign that hung inside the Hazel Home for Boys which read, “Change Your Life.”

Part of his change was taking his spirituality seriously, which wasn't the case prior to coming to YFT. He recalls fondly “we prayed a lot - we went to church a lot - and it brought me happiness. YFT also taught you the value of work, it taught me to be a man.”

Jeff works in the trucking industry, and is proud to be able to provide for his family.

Aaron Stone

As he looks back on his time spent at Youth For Tomorrow, Aaron marvels at the growth of the campus. “When I was here ('91-'92) they only had one home -- the Hazel Home for boys. The Chapel wasn't here, the school building wasn't here, and we had a trailer in the back where we went to school,” Stone said.

In 1991, when Aaron was a teen, he was struggling with authority, didn't go to school, and admitted he “pretty much did what I wanted.” YFT changed the direction of his life. A good student prior to straying off course as an adolescent, he regrouped academically at YFT, and found a deeper meaning to his life.

Aaron credits Mr. William A. Hazel who had mentored him while at YFT and instilled a desire to enter the construction field. For the past 20 years, Aaron has been employed by William A Hazel Inc. Construction as a Superintendent. He fondly recalls, “YFT is here to give you a chance. Looking back, I wouldn't be here today if it wasn't for this place.”
